

CAIRO

CONFIDENCE
IN EVERY JOURNEY

GEYUSHI

INTRODUCING THE VOLVO CAIRO VISION ON EVERY ROAD

CONFIDENCE IN EVERY JOURNEY.

Meet CAIRO, a coach crafted for tourism and long distance routes where the journey feels as rewarding as the destination. Built for excellence, it brings a confident, aerodynamic presence and a calm, panoramic cabin that makes every mile welcoming. Supporting the B8R, B11R and B13R chassis platform options. CAIRO pairs robust capability with modern efficiency and compliance, ready to carry you farther, reliably, comfortably, and with total confidence.

CAIRO

EXTERIOR DESIGN

Confident, streamlined, and built for distance. The **CAIRO** offers strong chassis option with an aerodynamic front face to reduce drag and support fuel efficiency.

Crafted to sharpen visibility in all conditions, The **CAIRO** is equipped with Full - LED exterior lighting Paired with large panoramic side, windows that open the cabin to light and views, enabling the driver to have full visibility and maximized precision at every glance, Ensuring passenger safety at every journey.

The **CAIRO** pairs clean, modern contours with finish options that let you tailor the coach's look to your fleet. Front & Center doors keep stops quick, supporting faster passenger flow and shorter dwell times, so schedules stay tight, and routes stay smooth.

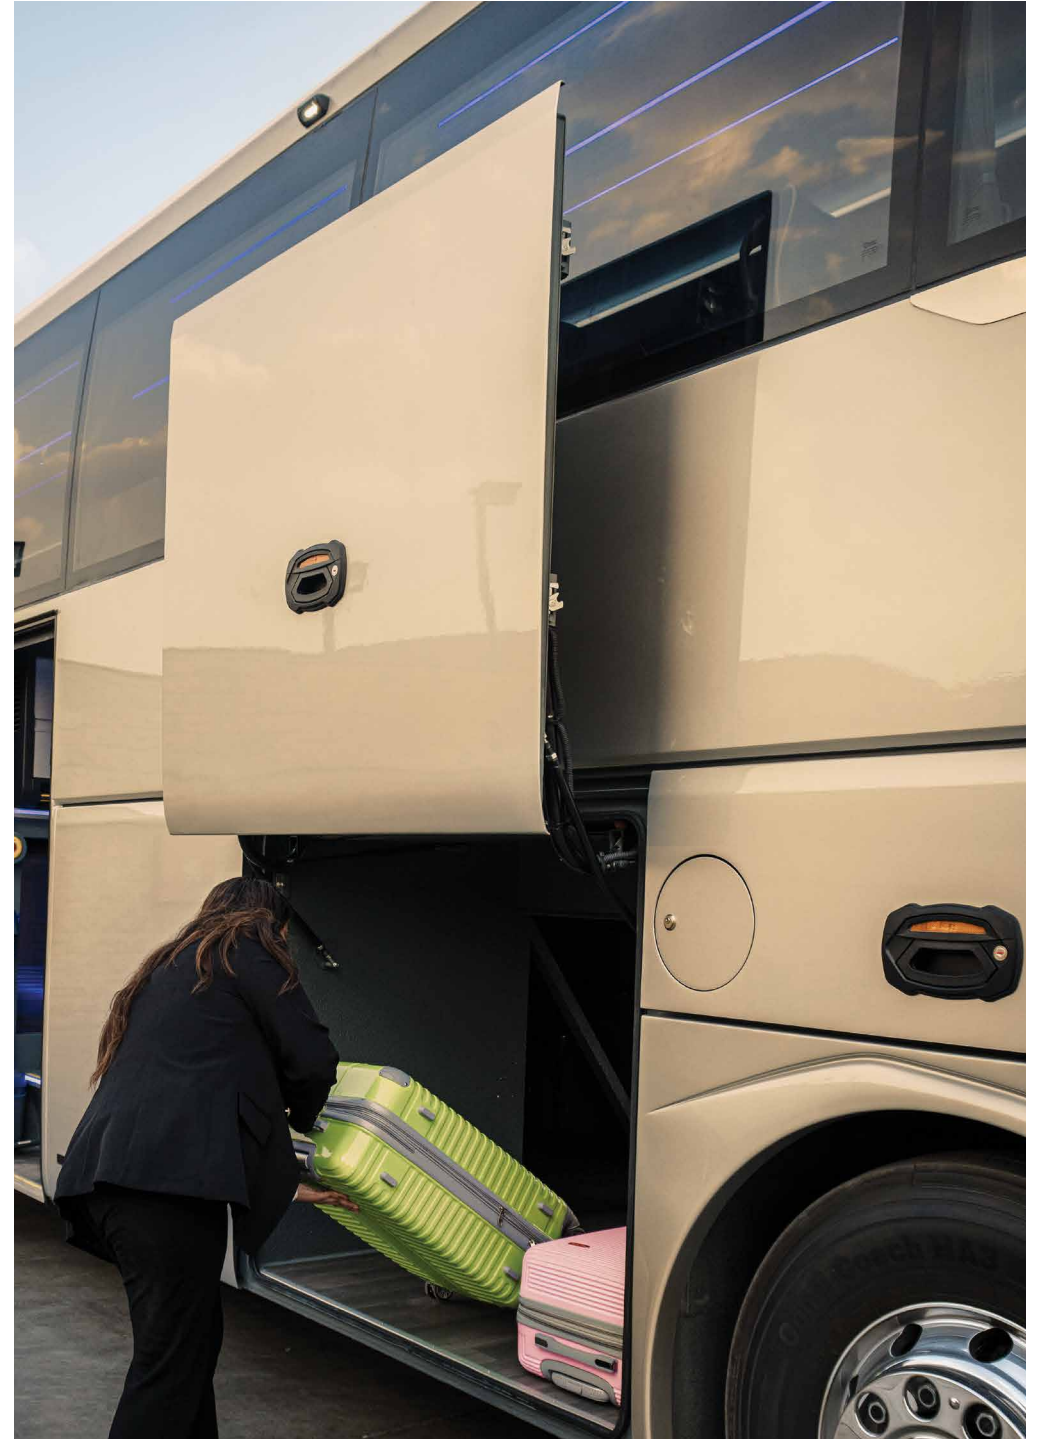

The **CAIRO** measures at an overall length of 12.370 m shared across the **B8R, B11R** and **B13R** variants, bringing a refined, uniting sleek design with the durability your routes demand.

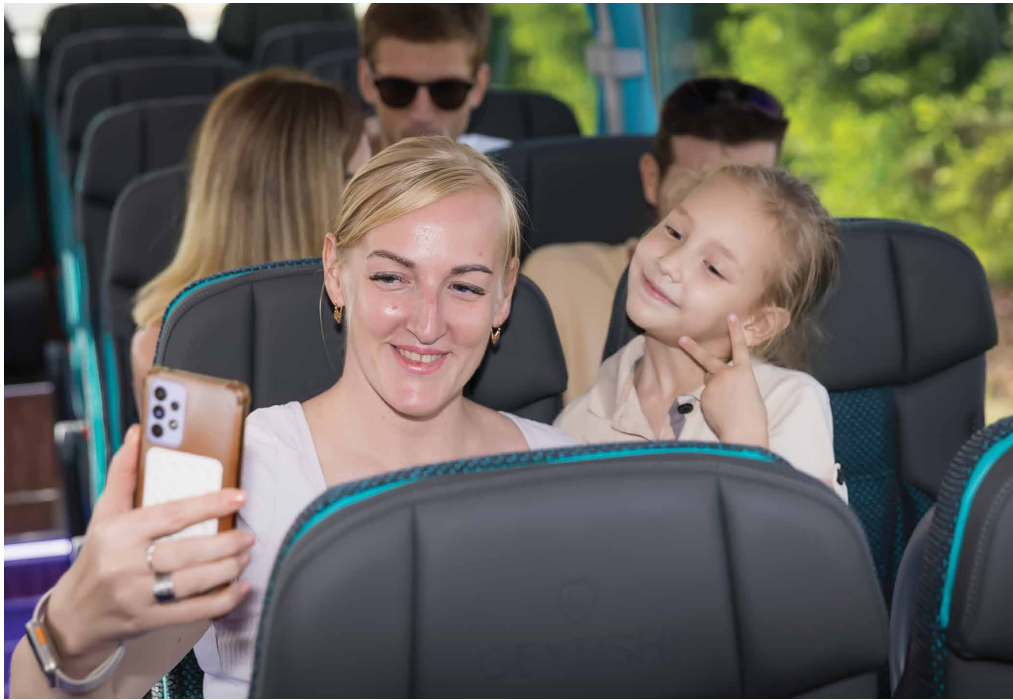

STORAGE AREA

The **CAIRO** Coach is meticulously engineered to meet the demands of both passengers and operators. With operator, friendly proportions and luggage compartments offering a capacity of up to 13 cubic meters, shared in **B8R**, **B11R** and **B13R** variants, travelers are assured ample room for their belongings on every journey. Strategically positioned **storage compartments above the axles** maximize efficiency, while **internal luggage racks** provide easy access to essential items within reach.

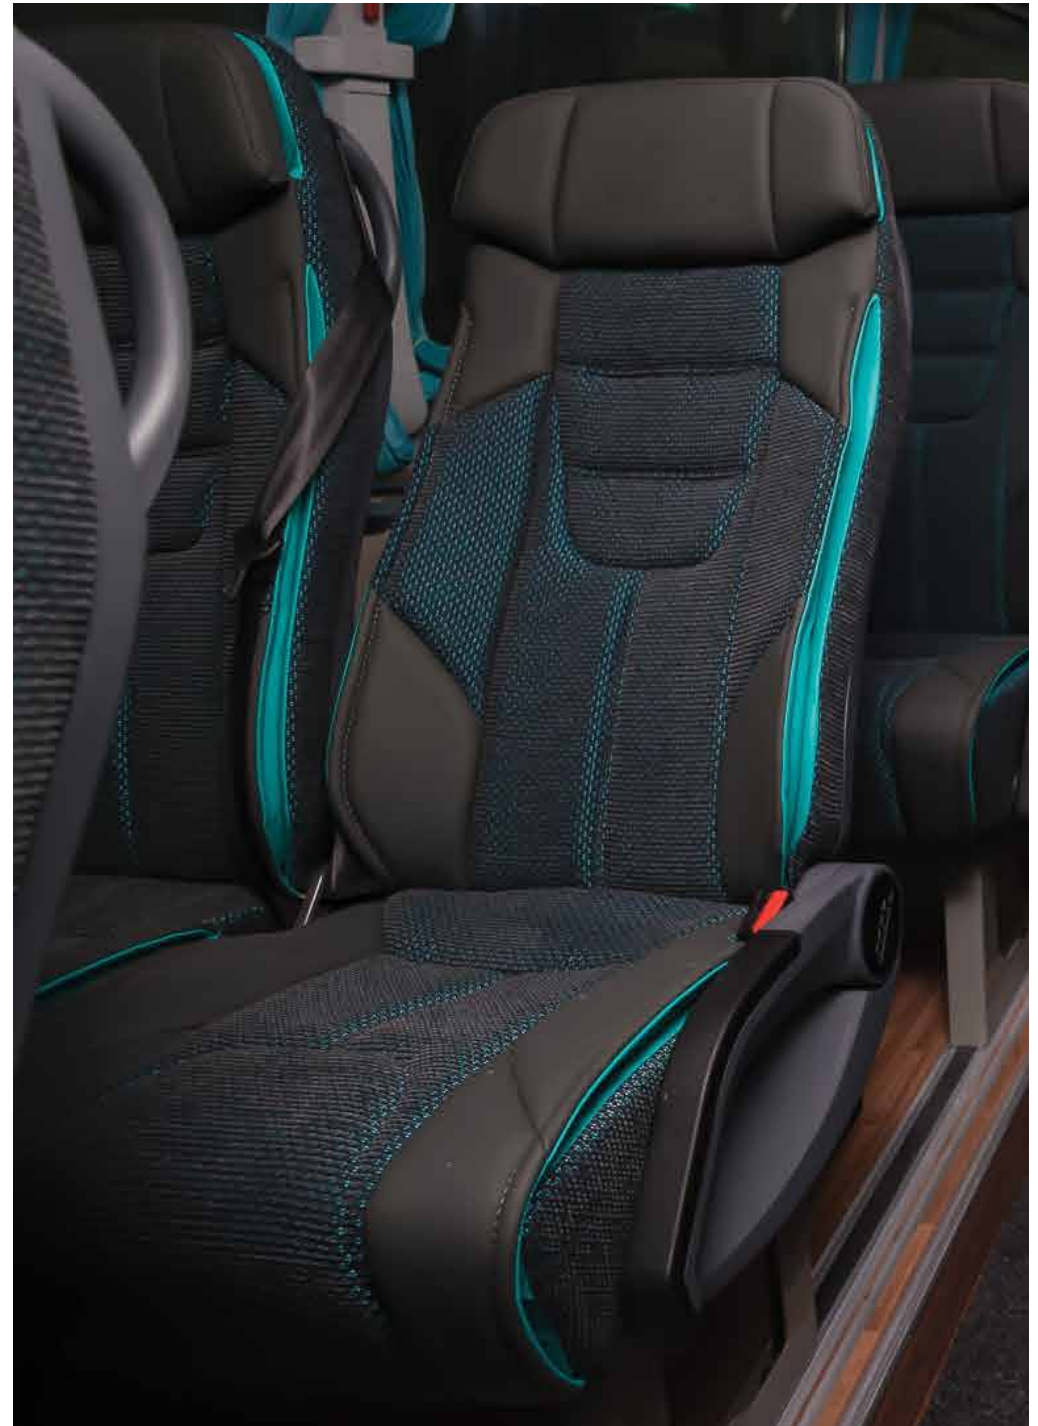

INTERIOR
DESIGN.

The **CAIRO** Coach unites elegance and purpose within a calm, well, appointed cabin. With the **VIP 2+1 lounge seating** option welcoming passengers with **USB charging**, **footrests**, **magazine nets**, and **service tables**, while an **80% tinted, double layer privacy glass** and **ambient blue LED lines** along the ceiling and step edges create a serene travel atmosphere. Hospitality comes with a built-in **refrigerator integrated into the dashboard** and a **quick service unit** at mid-coach deliver hot and cold drinks with ease, complemented by an **easy access toilet cabin**. The driver's environment is crafted for command and comfort: a **luxury soft, touch injected polyurethane dashboard** with a **10 inch touchscreen**, **powered sun-visors** (windscreen and driver window), a **powered sliding driver window**, and a **luxury air-suspension seat with adjustable armrest** ,to ensure a premium, low-effort cockpit experience where posture, visibility, and control work in perfect sync.

INTERIOR
FEATURES

Inside the CAIRO, an **elegant**, cabin stays consistently comfortable with **powerful A/C** plus auxiliary cooling units at dash and sleeping Comp. Side heating converters, while **anti-slip, carpeted aisles** keep movement quiet and sure-footed.

The **CAIRO** comes equipped with up to **51** seating areas, plus the driver and passenger seats, with clear aisles, and easy access, enabling maximum passenger comfort and safety. With **front + center doors** enabling swift boarding at every stop, dwell time drops and turnarounds speed up, delivering a smoother experience for crews and travelers. Practical and secure by design, the **CAIRO** comes with, **two roof hatches**, fast **demisting**, and an optional, cooled **driver sleeping compartment** with organized cup holders, lockers, and charging for effortless long, haul duty.
